Check-in: Saturday **August 5**, 8:30 a.m.

Judging: Saturday, **August 5**, 9:00 a.m.

Rules:

1. Do not enter the Round Robin competition prior to winning at the Fair. To qualify, a member must enter on an entry form in one of the specific showmanship classes (beef, horse, sheep, swine, goat, dog, rabbit, or poultry) July 1st. These classes are listed within each category of the fair book. Entries are completed after all showmanship classes are completed.
2. Members that win Champion in their species showmanship classes are then eligible to compete in the Round Robin Contest. Novice Showman are not eligible to compete in the Round Robin Showmanship Contest. If a member qualifies in more than one species, the Reserve Champion or third place showman may be "pulled" in.
3. Exhibitors must show their own animal in showmanship classes.
4. For health and safety reasons, animals to be used in the Round Robin contest will be at the discretion of the specie superintendents.
5. Any 4-H member winning first in the Junior or Intermediate division of a species has the option to move up to the next highest age division in following years, but the member is not required to do so.
6. Showmanship attire has been recommended for each species.
7. NOTE: The appearance of the animal and the exhibitor's actions while in the show ring are the primary considerations. However, the exhibitor's appearance cannot be overlooked as a sloppy appearance detracts from a good animal and good showmanship. Neatness, cleanliness, and being well groomed add points.
8. If an exhibitor is eligible to compete with two or more species for the Round Robin Contest, they must designate which species they will compete with by 5:00 p.m. on **Friday, August 4**, or the Extension Office will make that decision.
9. In cases where there is no exhibitor in an age division for a certain species it shall not prohibit that species from being shown in the other age divisions. The superintendent may find an animal that can be shown in that division at their discretion. Otherwise that species will simply not be included in the contest for that age division.
10. If an exhibitor chooses not to participate in a round for a certain species, the exhibitor will receive a score of zero for that species and be disqualified from the contest. The exhibitor will be allowed to participate in the other rounds to further their own experience.
11. The lowest score from a species round will be dropped from each exhibitor's score. However, the exhibitor must make a valid attempt to show that species. If the exhibitor does not make a valid attempt to show the animal, the exhibitor will receive a zero for that round and be disqualified from the contest.
