#### 4-H UTILITY GOAT

Additional Rules for Utility Goats:

1. Utility Goat is open to all goats regardless of breed or sex. If entered in Utility, goat may not be shown in any other Confirmation class. Utility goats do not need to be shaved. It is optional.
2. The Utility Goat class is an obstacle course. Goats will be judged on how well the exhibitor and the animal work together on the course and length of time to complete the course.
3. The obstacle course is designed and set up to have the exhibitor demonstrate their ability to take the goat through obstacles that would be encountered if the goat were taken on a hike. Each obstacle will be challenging but safe.
4. Exhibitor in obstacle classes should wear clothing they don't mind getting dirty since it is possible that they will be crawling under things with their goat.
5. Before the course portion begins, both exhibitors and the judge will walk the course. At this time, exhibitors will be free to ask questions about the course and memorize it. The pattern course shall be posted the morning of the show.
6. During the course, the goat should be handled without excessive pulling or jerking. Talking the goat through the course is permitted, but screaming is not.
7. There will be a maximum of five points per obstacle
